

## **Pagosa Area Water and Sanitation District (PAWSD)**

### **Low-Volume (LV) Toilet<sup>1</sup> Rebate Program 2008 Guidelines**

- Read and complete this application **before** you purchase your low-volume toilet.
- Receipt must indicate low-volume toilet type (e.g., regular, flapperless, dual-flush, power-flush, etc.) and gallons of water use per flush.
- Old toilets cannot be reused. Participants agree to remove all hardware (to the greatest extent possible) and properly dispose of their old toilets at the PAWSD facility (100 Lyn Avenue).
- Participants must be a residential or commercial PAWSD water customers, with current and non-delinquent account(s).
- Participants must be home or business owners. Rental units may qualify, however, the rental facility owner must complete the application.
- Residential accounts may qualify for up to two toilets per program year. Upon approval, commercial facilities may qualify for more than two toilets.
- The LV toilet(s) installed must be new.
- LV toilets that cost \$100 or more receive a \$75 rebate. Flapperless, dual-flush, and power-flush toilets receive a \$125 rebate. Toilet price includes the tank and bowl only. Purchase price excludes such things as toilet seat, wax ring, bolts and sales tax.
- Installation costs are not rebated.
- LV toilets must replace existing toilets using more than 1.6 gallons per flush (gpf); generally, homes built before 1994<sup>2</sup> have higher than 1.6 gpf toilets).
- Rebates are issued as a credit applied to the PAWSD service account where the LV toilet is installed.
- Rebates may take up to two to three weeks to process.
- Installation may be done by the home/business owner (if qualified) and/or by a participating licensed plumber.
- Installation site may be subject to inspection. If a property for which a rebate has been issued is found on inspection to have a non-qualifying product and/or installation, the amount rebated will be charged back to the PAWSD account which was originally credited.
- The program applies to products purchased from June 1, 2008 through November 30, 2008.
- Paperwork must be submitted by November 30, 2008.
- Rebates are offered on a first come, first serve basis and subject to availability of funds.
- Incomplete paperwork, including applications lacking a signature or a copy of the purchase receipt(s) will be denied.
- PAWSD assumes no liability for any loss, damage or expense in connection with the materials, workmanship or fitness of the LV toilets, their installation, or use. PAWSD makes no representation or warranty of the LV toilets.

For Office Use Only (Date/Initial):	Application Approval: _____	Toilet Receipt: _____	Installation: _____	Disposal: _____
-------------------------------------	-----------------------------	-----------------------	---------------------	-----------------

<sup>1</sup> Program also applies to waterless urinals and urinal valve replacement(s). Bring old valve in for proof of installation/disposal.  
<sup>2</sup> No rebates are given for new construction because the Energy Policy Act of 1992 requires all toilets manufactured and sold after January 1, 1994 must be LV or use 1.6 gallons per flush or less.
